

Hello

I wanted to take a moment to express how wonderful it was to see all of you again. Catching up on old times and reminiscing about our shared experiences was truly heartwarming.

It's amazing how time flies, and seeing everyone reminded me of all the good times we had during our residency in New Jersey.

It's also inspiring to see how much we've all grown and achieved which I think we could not have done without the foundation that was laid during our residency.

I look forward to staying in touch and hopefully seeing each other again soon.

Best,
